

CREATIVE STORYTELLING EVENING ENTERTAINMENT FOR SCHOOL CAMPS

with
Anna Jarrett, The Travelling Storyteller

www.travellingstoryteller.com.au

Relax after a full day of outdoor activities, to an evening of storytelling and creative story games which reflect the day's experience. International storyteller, Anna Jarrett, will take you on a journey which celebrates your learning, builds teamwork and encourages students to reflect on their day in a fun and meaningful way.

The school camp experience is a time for all students to discover new knowledge about themselves, to make new connections with each other and with the bush environment. The Creative Storytelling Evening Programs offer an opportunity for students and teachers to review their day's adventure and learning, to revisit the highlights and to replay some of the memorable moments, through storytelling, music and drama.

All programs are custom designed to complement your day program and to meet the needs of your students from Kindergarten to Year 12. Anna will develop the program in consultation with you, relating it to your chosen theme and program package.

Anna also offers an evening of stories and music for pure relaxation. An internationally acclaimed storyteller and musician, Anna will entertain you with a range of traditional and original tales including star stories, ghost tales, adventure journeys and tales of wonder. Masterfully interwoven with the music of the frame drum, ocean drum, mini harp, ocarina and native American flute, this evening of storytelling will enrich the excitement of the camp experience, and send you to sleep with sweet dreams.

PROGRAM LENGTH - 90 mins

PROGRAM COST - 30-50 students - \$15 per student

50 or more students - \$12.50 per student
